

Corporate Overview

Founded with a vision to redefine the stainless steel industry, Jindal Stainless Limited is among the global leaders in the manufacturing and supply of high-quality stainless steel products. With a rich history spanning over five decades, the Company has established itself as a trusted brand synonymous with innovation, reliability and sustainable practices.

About Jindal Stainless Limited

Jindal Stainless Limited is a leading Indian stainless steel company. Established on September 29, 1980, it is a publicly listed company, having its registered office at O.P. Jindal Marg, Hisar-125005 Haryana.

JSL is India's leading stainless steel manufacturer and among the top stainless steel players in India, and is among the top five stainless steel makers globally (excluding China). The Company began its foray into stainless steel production with a small steel plant in Hisar, Haryana. Over the years, it expanded its capacity and in 2002, Jindal Strips restructured as Jindal Stainless Limited. In 2003, the Company set up an integrated stainless steel plant in Jajpur, Odisha. The Jajpur plant has a capacity of 2.2 million tonnes per annum and is one of the largest in India.

A Strong Legacy: The OP Jindal Group

The OP Jindal Group was founded in 1952 by Shri Om Prakash Jindal, a visionary entrepreneur. The Group has grown into a global conglomerate with interests in mining, power, steel and other industries. The Group's strength lies in its dynamic and progressive approach. OP Jindal's vision was to create a world-class business that would contribute to the development of India. He was a strong believer in the power of entrepreneurship to create jobs and opportunities. The Group's commitment to sustainable development is reflected in its focus on green energy and its efforts to improve the lives of the communities in which it operates.
