JSL Hisar Net Profit Up 23%

Gaining from increased realizations from its value added stainless steel grades, Jindal Stainless (Hisar) Limited [JSHL] registered a 23% quarter -on-quarter jump in its profit after tax at Rs 74 crore in 01 FY 2017-18.

The company delivered steady performance over the quarter with a gross revenue of Rs 2,410 crore and net revenue of Rs 2,218 crore, representing a 000 growth of 8% and 9% respectively. The company's net worth rose to Rs 936 crore, up by 160% since March'15. Compared to corresponding period last year (CPLY), the quarter also witnessed increased melt production by 6% at over 1,72,000 tonnes.

"Our product differentiation and diversification strategy has held us in good stead. We will continue our relentless drive towards upgrading our offerings and finding new avenues for applications of stainless steel products. The true mettle of this magic metal is yet to be unleashed in our country since per capita consumption of stainless steel is way behind the world average," said Mr Abhyuday Jindal Vice Chairman.

Exports at JSHL stood at 19% of sales as against 15% in CPLY. Earnings Per Share for the quarter stood at Rs 3.15 (for the quarter not annualised). EBITDA at Rs 251 cr was higher by 6% in 01 as compared to Rs 238 cr in last quarter. The multi-pronged cost savings initiative launched by the company helped in increased accumulated savings during the quarter. The lifestyle subsidiary of JSHL, JSL Lifestyle Limited and the service centre subsidiary, Jindal Stainless Steelway Limited also registered healthy y-o-y growth in the first quarter.
