**Jindal Stainless Limited resumes partial operation at its Jajpur facility in Odisha**

The Company welcomes the decision of the government to restart the economic activities in a phased manner. Pursuant to this development, the Company has resumed operations at its Jajpur plant in Odisha in a phased manner from today. The Company will enforce all the guidelines set by government authorities to ensure health and safety of the employees and all other stakeholders involved in the manufacturing process. All the employees will mandatorily follow social distancing and prescribed safety guidelines enforced by the Company. The Company will review the market conditions periodically and ramp up its operations accordingly. It is expected that gradual reopening of other economic activities will help the industry and the economy to revive soon.
