Annuxure-A

JINDAL STAINLESS EMPLOYEES PROVIDENT FUND TRUST

1. Accounting Policies

A. Basis of preparation of financial statement:

The accounts are prepared on accrual basis and are in-conformity with the generally accepted accounting principles.

B. Investments:

All investments held by the trust are long term which are valued at cost. Where there is a decline, other than temporary, in the carrying amounts of long term investments, the resultant reduction in the carrying amount is charged to the profit and loss statement.

2. Amortisation of premium / discount on investments:

- a) Premium / discount on investments are written-off over the useful life of the securities/ bonds.
- b) Keeping in view the continuous fall in the yield on investments, decline in the market price and other factors, the management of the Trust has considered it proper, as a matter of abundant caution to maintain the minimum committed interest in future, to continue Rs.99.15 lacs as the provision for contingencies reserves.
